Stand Mounting Instructions

Desk Mount

Mounting locations include posts, walls and desktops, as well as computers and other equipment. It can be installed to accomodate right or left-handed use.
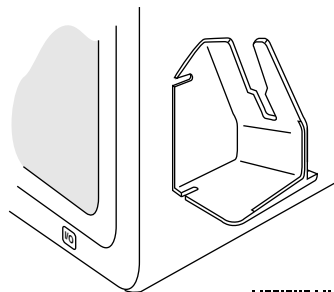

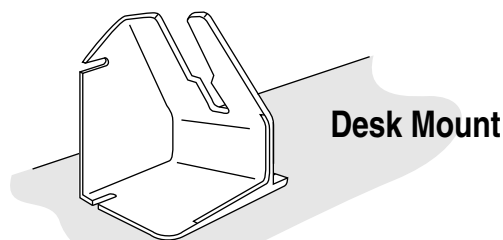

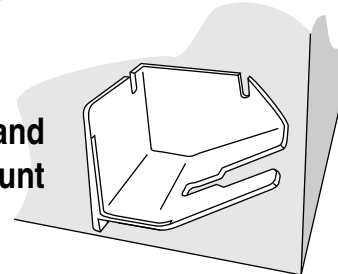

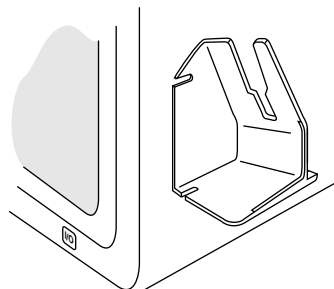

Left-Hand Wall Mount

Follow these steps to mount the stand:

— Determine the desired permanent position (see the illustrations at right).

Right-Hand Mount

— Carefully clean both surfaces where the double-sided tape will be applied.

— Attach the stand with the two strips of double-sided tape.

— Allow the stand to sit undisturbed for at least 24 hours.
